BEFORE LEAVING

- Arrange drop off at Staff Training and pick up from airport at the end of the summer
- Place luggage tags on luggage
- Alert bank and credit card companies of your travel
- Download necessities on phone as you will be without WIFI at times
- Share emergency contact information with family members

IMPORTANT PACKING INFORMATION

- You can pack in a backpack, carry-on, and one checked bag. WinShape Camps will cover the cost of one checked bag.
- WinShape Camps will provide physical copies of your itinerary, passport, travel insurance, etc.
- A general overview of the schedule looks like this: Onsite Training, church, four days of camp, and weekend plans. As you pack clothes, please keep this in mind.
- Airplanes require headphones with a headphone jack or an adaptor for your wireless headphones. Headphones will be great for long bus rides!
- Electric adapters will be provided in-country (*Brazil only*).
- There will be limited to no WIFI access at our lodging facilities. The purchase of an international phone plan will not be provided by WinShape Camps.
- A bilingual Bible may be helpful to have!
- All bedding and linens are provided during Staff Training and in-country. You may bring personal items such as a pillow or blanket, if you would like.
- ATMs will be available and may have fees associated with them. We recommend bringing cash for souvenirs and snacks.
- Each WinShape Camps Team will carry a First Aid Kit available to you at any time.
- WinShape Camps will not be responsible for the loss or damage of personal electronics. They can easily be lost or stolen.
- Do not bring a laptop or tablet (*a team laptop is available if necessary*); there will be limited to no Internet access at lodging facilities. If you need to have your personal laptop, please reach out to your Director immediately for approval.
- Please do not bring any expensive jewelry.

- We recommend packing enough hygiene products for the whole trip. It may be more expensive to replenish items in Brazil or Costa Rica, and comparable brands or products may not be available.
- Fun accessories such as crazy socks or anything the color of your Color Group are encouraged!
- For snacks, pack anything you need for travel and energy like granola bars, crackers, jerky, or gum. Brazil and Costa Rica may not have some of your favorite snacks.
- You will be transferring your luggage from one place to another this summer. Pack what you need, but pack as light as possible!
