### Elk Adventure Program Staff

- We provide the majority of the gear and equipment for the adventure program including backpacks, tents, sleeping pads, food and most technical gear. You may bring your own equipment, but WinShape will not be held liable for damage to personal gear.
- The Elk program does not merit purchasing expensive clothes or gear unless that is an investment you desire to make. The reality is, camp can be hard on clothes and gear, so inexpensive is best! Think small, compact and lightweight when purchasing and packing for camp! It is a rule in the wilderness that "cotton is rotten" Avoid cotton when possible. Synthetic materials will dry quicker and keep you warmer compared to cotton.
