

# 2025 Nite Lives at Young Harris

## Opening Show

Dive into this year's theme! Full steam ahead, as you learn about camp and what we've got planned.

What to Wear: Are you the fish or the fisherman? The choice is up to you. No matter what, you're the catch of the day!

## Giddy Up Buttercup! (SR Camp only)

Hold your horses - did someone say cowgirl? We sure did! Tonight, you'll stomp, holler, and yeehaw, as we go out West.

What to Wear: This is gonna be a hoedown throw down. You'll wanna come prepared with your boots, bandanas, and cowgirl hats.

## Yeehaw (JR Camp only)

You're wanted - at this Nite Life. We're trail blazing out West, so lasso your pals and come on down to the hoedown throw down!

What to Wear: Dress up as your favorite animal or someone who wrangles them.

## Moon Bounce

Get ready to bounce, boogie, and bump as we catch air and float through space. There will be so many opportunities to soar!

**What to Wear:** Make space in your suitcase for your best galaxy attire or tie-dye, because you'll be bouncing through the atmosphere!

## Campfire Encounter

On this night, we'll be guided by the lighthouse. What's lost will be found as we journey to the shore of God's faithful love.

**What to Wear:** Wear whatever you wore during the day!

## Ultimate Rec!

Three Clubs. One camp. We don't call it Ultimate for no reason! Three Clubs will compete for silver rings, but just one will emerge as the Ultimate winner and take home the necklace! Who will it be?!

**What to Wear:** Wear anything Club-colored that can get messy.

Remember, Skocean is teal or blue; Bumblin' is yellow; and Royalum is purple.

## Galentines (Late Nite - Senior Camp Only)

Roses are red, violets are blue. Do you love your gal pals? Because we love them too!

**What to Wear:** This is a girls' night in, so bring your most loved pajamas!
