# Welcome to Leadership Weekend 2026!

Whether this is your first Leadership Weekend or your fifth, we're pumped that you're here. Our hope over the next few days is for you to feel known and loved, to experience rest and renewal, and to develop a lasting bond with the team you will be serving with this summer. (We're also going to have fun, of course!)

You have been prayerfully selected to serve in a leadership role this summer. This weekend has been designed to equip and prepare you for the role you will be entrusted with. While we want you to feel weight of that trust, our focus will be on helping you recognize and take advantage of the support that will be available to you throughout the summer. We can't wait to continue learning how to live and lead like Jesus alongside you!

Text "LW26" to 866-777-7266 to sign up for text alerts. And if you have any emergency needs, please reach us by calling 1-844-977-8233.

## **Ascend: Encounters with the Holy God**

**“I lift my eyes to the mountains – where does my help come from? My help comes from the LORD, the Maker of heaven and earth.” (Psalm 121:1-2)**

Have you ever stood on top of a mountain? It is incredible! From way up high, your perspective changes; you can see things you couldn't see from down below. Meeting with God can give us a similar change in perspective. We learn about who He is, who He says we are, and how to walk with Him in every moment. Encountering God changes everything.

Throughout the Bible we see encounters where God invited people to meet with Him on a mountain, not to just see a great view, but to be with Him. The most holy God invites people, including you, to know Him personally. You, yes you, are seen, known, and loved by the holy God of the universe.

Join us at WinShape Camps for Summer 2026 as we journey up together to meet with and learn more about our holy and personal God.

# TODAY'S TRUTHS

Do I have  
what it takes?  
God does not  
make mistakes.

Can I face  
the unknown?  
With God,  
I'm not alone.

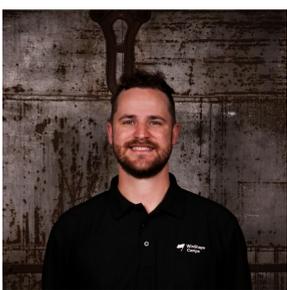

Who could  
love the real  
me? God does  
personally.

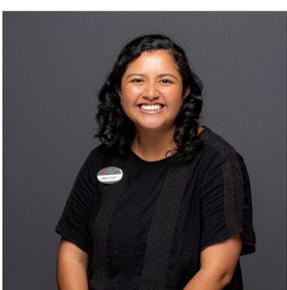

How should  
I live my life?  
Step by step,  
follow Christ.
